Extra credit opportunity

Extra credit 2%
You may participate in the Linguistics Beyond the Classroom (LBC) program for an extra 2% credit towards your final course grade. The purpose of this program is for students to get first-hand experience of language research by participating in an on-going research project conducted here at UH. For more information, see http://ling.lll.hawaii.edu/sites/lbc/. You may complete either Option 1 (research participation) or Option 2 (500-word event reflection) as outlined on the LBC website. I must receive your completed questionnaire (option 1) or event response (option 2) by December 4th, 2026 for you to receive this credit.
